A flourishing academic institute was established in 2053 B.S. by group of academicians. The group is dedicated to carry a deep-seated change in the field of education. At present, it stands as one of the best higher secondary schools in district with outstanding performance. As per students', guardians' and social demand, carrying with fifteen years of established academic performance, the school has launched +2 college in Science and Management stream from 2069 B.S. having competent and highly academic team experienced in +2 and University levels at different institutions for several years.

VISION

To develop VALMIKI as a center of excellence in education and become the first choice of guardians for the upliftment of educational standards.

MISSION

We nurture students committed to spirit of excellence, through high quality education imparted by experienced and caring teachers having strong virtues and values focusing on all round development and creativity of the students.

VALMIKI IS AN IDEAL BECAUSE

- High skilled, self motivated and experienced faculty members.
- Peaceful academic and well disciplined environment.
- Tech-know lab with innovative ideas.
- Pre-medical and pre-engineering entrance preparation classes.
- Personal attention to assist students to realize their potential.
- Regular exams and re-exams with prompt feedback.
- Well equipped Physics, Chemistry, Biology, Computer, HM laboratories and Library.
- Scholarships for toppers and deserving candidates.
- Comfortable, convenient and standard class rooms with multimedia & ideal number of students.
- Hygienic Canteen, safe parking and reliable transportation.
- Occasional sports competitions, recreational musical events and extra curricular activities.
- Seminar hall with multimedia
- Robotics Club • Interact Club
